Application for Inclusion in the RRCQ Inc Stud Directory

Conditions for entry into the Directory:

If a Breeders Directory application has been completed please go directly to Directory Entry Details otherwise complete this section.

1. Results of hip / elbow scoring must be supplied for a dog to be included in this Directory:
Please note: To be eligible for inclusion in this Directory hip score totals cannot exceed 10.

Hip/elbow scores – attached previously supplied

2. Genetic health testing for recommended tests – currently Degenerative Myelopathy (DM) and Juvenile Myoclonic Epilepsy (JME) – must have been conducted. Affected dogs are not eligible for inclusion in this Directory.

Please select the checkbox relevant to the test results for the dog or dog/s for which you are applying.

Dog 1: Clear Carrier

Dog 2: Clear Carrier

Dog 2: Clear Carrier

OR

For dogs where semen only is available, do you attest that you will test, on or prior to insemination, and exclude Affected dogs from breeding.

I do so attest

If additional entries are required please affix same to this form.
