Best in Show – Ch Bartess Gwai Eermoonan

A delightful bitch, of excellent type, well balanced. Her particular strength (and there are quite a few) include nice head and expression, good ear placement, good shoulder angulation, good feet, good bone in legs and a magnificent croup giving balance to the animal. In summary an outstanding specimen, with quality and all of which were complimented by excellent movement.

Runner Up Best in Show – Ch Bearstar Ko CD

To adequately describe this very nice specimen, a direct quote from the general appearance of the standard says it all – “handsome, strong muscular and active dog, symmetrical in outline, capable of great endurance with a fair amount of speed. Adult dog is handsome and upstanding”. This direct quotation spells out the appeal of this dog. He also had other fine qualities – an excellent head with a strong muzzle, good movement especially from rear, reasonably angulated in stifle, tight well tucked up feet and pasterns well let down.

Class Placegetters – Dogs

Baby Puppy

1st Sixemm Kenyas Setting Son

Well balanced puppy, with good bone and good ridge. Nice feet.

2nd Usakose Gizmos Design

Good outline and good bone.
